Dear Parents and Carers

We are looking at the meals that we are providing every day during this crisis, to children that receive universal free school meals (EYFS and KS1) and those that are eligible for free school meals. We are wondering whether it would be more helpful for parents to receive a food parcel once a week containing some bread, fruit, vegetables, sandwich fillings and some other necessities and then this would stop parents having to come to the school every day to collect at lunch.

Please can you email the school if you would like to receive one of these food parcels and how many children in your household would be eligible. We will then discuss this with our caterers and let you know if this is an option.

Regards

Mrs Haig
Headteacher
